Board Meeting Procedures

The Board welcomes your attendance at its meetings. Parents and members of the community are invited to observe the meeting and to participate only during the Community Comments period. If you wish to address the board at that point, please sign up and put your questions or comments in writing so that the board can – at a later date - respond accurately. You may address the board for up to two (2) minutes, and we will enforce the time limit. Comments should not reference individual personalities or other private matters. If you wish to discuss these, please refer to the Board's grievance policy in the Family Handbook. The Board and/or Administration will address written concerns in a timely manner.
