*Motion is to strike 1.a, add 4.0.1, "The Board establishes the school's Mission, Vision, Core, Virtues, Motto, and Pledge:*

*Mission: The mission of Atlanta Classical Academy is to develop students in mind and character through a classical, content-rich curriculum that emphasizes virtuous living, traditional learning, and civic responsibility.*

*Vision: To be a nationally regarded K-12 classical school and serve as a local and national incubator for the growth and promotion of classical education.*

between the school and our authorizers.

Motion is to delete 1.a.1 and 1.a.2, and replace 2.L with the following: “The CEO shall not fail to cause the organization to comply with the terms of the Charter Agreement,” and to add as 2.L.1, “The CEO shall not fail to meet or exceed academic objectives enumerated in the Charter Agreement,” and add as 2.L.1.1, “The CEO shall not fail to provide the board at every regular meeting a report that lists for the school year the date of national and state-mandated tests and key charter-mandated metrics (CCRPI and BTO, for example), the month the school anticipates the results, and as available, the actual results in summary form,” and as 2.L.2, add “The CEO shall not fail to meet other objectives enumerated in the Charter Agreement.” 2.L.1 shall be monitored annually in November, 2.L.1.1 shall be monitored monthly, 2.L.2 shall be monitored annually in April. The CEO shall be considered in compliance with 2.L when in compliance with all lower level policies.

- iii. This effectively causes the Principal to report the slate of employees to the Board at the very beginning of the school year, even as it continues to require that the board is made aware of changes in employment in a timely manner.

The motion is to change the monitoring month of 2.h.9 to August.

- iv. The policy currently omits the first four words of this sentence.

The motion is to modify 4.b.1 to read, “The board is the authoritative link between the ownership and the operational organization.”

- v. The goal is to recognize in policy the reality that the board takes responsibility for and co-manages the fundraising and development functions, and those alone.

The motion is to add a paragraph to BMD 3.0 that says, “The CGO shall be empowered to lead fundraising and development efforts on the Board’s behalf and to direct the CEO, staff members, and volunteers in those realms alone.”

GPP 4.G.1-6

Governance Process	Board Committee Principles	4.g	Board committees, when used, will be assigned so as to reinforce the wholeness of the board's job and so as never to interfere with delegation from board to the CEO.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.1	1. Board committees are to help the board do its job, never to help or advise the staff. Committees ordinarily will assist the board by preparing policy alternatives and implications for board deliberation. In keeping with the board's broader focus, board committees will normally not have direct dealings with current faculty and staff operations.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.2	2. Board committees may not speak or act for the board except where formally given such authority for specific and time-limited purposes. Expectations and authority will be carefully stated in order to prevent conflict with authority delegated to the CEO.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.3	3. Board committees will not exercise authority over staff. The CEO works for the full board, and will therefore not be required to obtain the approval of a board committee before or after an executive action.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.4	4. Board committees are to avoid over-identification with organizational parts rather than the whole. Therefore a board committee that has helped the board create policy on some topic will not be used to monitor organizational performance on that same topic.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.5	5. Committees will be used sparingly and ordinarily in an ad hoc capacity.	8/27/2016	annually	May
Governance Process	Board Committee Principles	4.g.6	6. This policy applies to any group that is formed by board action, whether it is called a committee and regardless of whether the group includes board members. It does not apply to committees formed under the authority of the CEO.	8/27/2016	annually	May

**Principal's Monitoring Report**

Date: May 2018

<b>Policy Type</b>	<b>Heading</b>	<b>2017 Policy #</b>	<b>Policy</b>	<b>Policy Approved</b>
Executive Limitation	Financial Planning/Budgeting	2.c	The Principal shall not cause or allow financial planning /budgeting for any fiscal year or the remaining part of any fiscal year to deviate materially from the board's Ends policies, risk fiscal jeopardy, or fail to be derived from, at minimum, a three-year plan.	12/15/16

*Principals Interpretation:*

The Principal considers the Ends of the organization to be summarized by Global Ends Policy 1.0, namely that the Board intends for Atlanta Classical Academy to form knowledgeable, virtuous citizens at costs commensurate with local, public, K-12 education. In short, the resources of the organization ought to be used to develop intelligent, virtuous young Americans, and to fund activities that support the same, in accordance with ethical practices, the law, and our charter agreement.

Financial jeopardy occurs when actions, conditions, or plans place the organization in danger of insolvency, legal risk, or conditions which cause the school to stray from its Ends.

The Principal is required to plan for the following fiscal year and for two additional years. The school should at all times maintain resources to operate safely, to achieve its Ends, to position the school to maintain a good standing with its authorizers (including renewal) and its accreditor, to address reasonable contingencies, to build towards long-term operational and capital objectives, and to avoid imprudent, unethical, and illegal activities or conditions.

*Report:*

This is a second level policy informed by the following series of third level policies.

Report compliance.

Date: May 2018

<b>Policy Type</b>	<b>Heading</b>	<b>2017 Policy #</b>	<b>Policy</b>	<b>Policy Approved</b>
Executive Limitation	Financial Planning/Budgeting	2.c.1	The Principal shall not: Fail to submit the next fiscal year's budget for board approval prior to the June annual meeting, or fail to present drafts of the budget publicly at least twice before its approval.	12/15/16

*Principals Interpretation:*

The Board expects the Principal to develop and present for approval a three-year budget (as required by EL 2.c) prior to the June meeting (typically its annual meeting) for final approval by the board *at the June meeting*.

*Report:*

A draft of the FY19 budget was presented at the April 2018 board meeting; a draft of the FY19, FY20, and FY21 budgets are being presented at the May 2018 meeting. The aim is to present a three-year budget prior to the June (annual) meeting, for final approval at the June meeting. The draft budget is posted to the website. A notice will appear in the Atlanta Journal Constitution on May 12.

The Board intends for the Principal to abide by the policies spelled out in EL 2.d.1-18 (Financial Conditions and Activities), which the Principal reports on a quarterly basis (Aug/Oct/Jan/Apr).

*Report:*

For the current fiscal year, the Principal has filed quarterly reports on EL 2.d.1-18 in Aug 2017, Oct 2017, Jan 2018, and most recently in Apr 2018. The Board has accepted those reports in its regularly scheduled Board meetings.

Executive Limitation	Financial Planning/Budgeting	2.c.3	<p>The Principal shall not: Omit a credible projection of revenues and expenses by category, the sources and uses of all operating expenses and capital expenses, or planning assumptions.</p> <p>Operating expenses include all operating costs, current principal and interest payments, and regular maintenance and repair costs.</p> <p>Capital expenses include land acquisition, new construction, major system repairs, and any deferred maintenance that, if not corrected in the current budget cycle, places building occupants at risk of harm, or the facility at risk of not fulfilling its functions</p>	12/15/16

*Principals Interpretation:*

In accordance with Generally Accepted Accounting Principles (GAAP), including Governmental Accounting Standards Board (GASB) regulations, Atlanta Classical Academy budgets and records financial transactions in three funds:

Charter School Fund – This fund contains the public revenue received from Atlanta Public School system and all costs associated with the daily school operations, including the debt service on the building loans. The source of revenue for this fund includes public, Quality Basic Education (QBE), per pupil revenue, other revenue derived from authorizers (occasionally there are distributions made to schools for transportation, for example), and fees collected from families for sports and uniforms. The school conservatively projects future operating revenue based on past and current enrollment and operating revenue trends.

General Fund – This fund contains all revenue and expenses not specifically accounted for in another fund. This includes donations for the annual campaign (current Cavalier Campaign) and other miscellaneous extracurricular activities, such as field trips, after-school clubs, and summer camps. The reserve funds required by our loan covenants reside in the General Fund.

Capital Fund – This fund contains the donations for the school's long-term capital campaigns (currently the Standing on the Shoulders of Giants Campaign) and related expenses. The

sources of revenue include private donations, corporate gifts or matching donations, and other philanthropic sources. These funds will be used exclusively for capital expenses.

The school budgets and operates mission-essential (so-called bell-to-bell) school functions within public, per pupil revenue. Furthermore, the school does not commit to capital expenses until revenue has been secured without notifying the Board.

“Credible projection” means an *analytical approach* that is *thorough, based in experience and conservative*. Where mission-critical expenses are difficult to project, thoughtful estimates are included.

Planning assumptions are enumerated by category.

*Principals Interpretation:*

A single-year presentation provides little or no context, while a year-over-year comparison of budgeted revenue and expenses demonstrates expected changes and the relative emphasis placed on each category. It demonstrates to all constituents how the organization prioritizes its resources and how those priorities change over time, if at all.

Executive Limitation	Financial Planning/Budgeting	2.c.6	The Principal shall not: Fail to maintain a three-year facilities plan.	12/15/16

*Principals Interpretation:*

For Atlanta Classical and virtually all charter schools, establishing adequate facilities (and securing the funding to do the same) represents a major challenge, because charter schools have no access to public funds for facilities, neither in most cases do they have access to facilities owned by taxpayers. A three-year plan is essential, because long-term capital assets take time to fund and to construct.

The facilities plan is reflected in the capital fund budget and includes the 3+1 Modular Expansion Project (currently underway and scheduled for completion by August 2018), the South Building HVAC Restoration Project (currently scheduled for Summer 2019), and Phase III of the campus expansion (currently envisioned to occur sometime after re-charter).

Executive Limitation	Financial Planning/Budgeting	2.c.7	The Principal shall not: Fail to solicit a broad base of input in the formulation of budgets.	12/15/16

*Principals Interpretation:*

The Principal builds the budgets (Charter Fund/General Fund/Capital Fund) to support the Ends of the school as defined by the Board.

Collecting inputs from a broad base encourages creativity, optimizes the resources and expertise in the school's extended community, minimizes tunnel-vision, encourages stakeholders to engage with the school's mission, and generally fosters an inclusive climate.

*Report:*

The Principal forecasts revenue taking the input from past experience: all public and QBE funding, activities and miscellaneous fees, and donor participation. We consider the most current adjustments to actual QBE funding, and we discuss our projections with others in our space. PPR ultimately depends substantially on the demographic composition of our students and the qualifications of our teachers, items that are unique to our school.

Building the expense side of the ledger, budgets are built from the bottom up. In addition to personnel and facilities costs, the school operates with six major expense categories: front office, resource room, fine arts, athletics, facilities, and information technology. The budgets of each category are managed by an "Approver." Each approver builds his or her budget based on programs and initiatives that have been development with school leadership. Each approver collects input from employees that "feed up" into each expense category. For example, the Resource Room Coordinator builds her budget after discussing with English teachers the books they will teach. The athletics director compiles budgetary inputs by having conversations with individual coaches. Additionally, the PTCA leadership and the MST have an opportunity to give their direct input into the General Fund (Cavalier Campaign) and Capital Fund (On the Shoulders of Giants Campaign) budgets. The goal for these is to ensure that mission-supporting initiatives that support students and school life, families and community, and support for teachers are in line, when possible, with the interests of these constituents.

*Principal's Interpretation:*

The school's Charter School Fund is funded by public revenue in accordance with the Charter Agreement and Georgia Charter School Law. This per pupil public funding is based as the name states on the number of students enrolled. Therefore, detailed grade-by-grade enrollment, changes to enrollment, and waitlist information, has significant implications to the school's revenue and financial health; these are an indicator of the overall satisfaction of existing students and their parents and of the perception of the general public; they influence our relationship with authorizers; and they signal our ability to replace students who leave the school. The philanthropic community uses these figures to gauge overall demand for the school, the quality of the leadership, and financial stability. This information is best considered by analyzing short- and long-term trends. The Board asks for reasons for withdrawal, because it intends to understand the causes of attrition. It wishes to see to it that the Principal knows the causes of attrition so that the team is able in the spirit of constant improvement to adjust if appropriate. To the extent that negative trends are emerging, the Board wants to have the ability to spot them early. The Board does not intend for the staff to invest an unreasonable amount of time or effort to learn the causes, and it does not intend for the Principal or staff to take action that would compromise personal information about a student or family.

System generated cash reconciliation report that ties to redacted bank statements</li> <li>f. Redacted credit card statements</li> </ul>	12/15/16

### *Principals Interpretation:*

In support of its fiduciary duty to the Owners of the school (the citizens of Georgia), the Board wishes to monitor on a monthly basis the *actual* financial condition and performance of the school and to ensure that spending aligns with the mission, the annual budget, and the enumerated policies of the Board. On a monthly basis, the Board expects the Principal's internally generated financial reports and third-party documentation adequate for confirming the revenue, expenses, capital expenditures, financing decisions, and cash balances. It wants to review credit card statements to see to it that expenses support only the missions and operations of the school. The applicable standard of accounting is modified accrual as defined by the Governmental Accounting Standards Board (GASB). On internally generated reports, the Principal makes certain assumptions with regard to the level of detail board members wish to evaluate. Complete details will be made available, as required. With regard to the treatment and presentation of depreciation and non-cash charges, our auditor has endorsed the practice of making year-end adjustments to financial statement to reflect these charges. Depreciation relates almost exclusively to capital assets (buildings and equipment), and therefore depreciation should be considered as part of annual and long-range development efforts.

**Explanation of Funds:**

The Charter School Fund captures the public revenue from APS and the expenses of running the school. Long-term debt is serviced from this fund.

The General Fund is a catch-all fund that receives transactions that are not captured in another fund. This includes extracurricular activities such as clubs, field trips, fine arts program, summer camps and the annual fund. The \$750,000 reserve required by the loan covenant is in the General Fund.

The Capital Fund is for long-term capital projects.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

In case of errors or questions about your electronic transfers telephone us at the phone number listed on the front, or write us at the address listed on the front as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt.

- 1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR LINE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can

telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- 1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.

Send payments and inquiries to address shown on front of bill.

NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

### What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- ▶ Account information: Your name and account number.
- ▶ Dollar amount: The dollar amount of the suspected error.
- ▶ Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
  - ▶ We cannot try to collect the amount in question, or report you as delinquent on that amount.
  - ▶ The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
  - ▶ While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
  - ▶ We can apply any unpaid amount against your credit limit.

### Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

### Important Information Regarding Your Account

1. **INTEREST CHARGE:** Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the **INTEREST CHARGE** by multiplying the applicable Daily Periodic Rate ("**DPR**") by the Average Daily Balance ("**ADB**") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the **ADB** separately for the Purchases, Advances and Balance Transfer categories. To get the **ADB** in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the **ADB** of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the **ADB** calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the **ADB** calculation.

2. **Payment Information:** You must pay us in U.S. Dollars with checks or similar payment instruments drawn on a financial institution located in the United States. We will also accept payment in U.S. Dollars via the Internet or phone or previously established automatic payment transaction. We may, at our option, choose to accept a payment drawn on a foreign financial institution. However, you will be charged and agree to pay any collection fees required in connection with such a transaction. The date you mail a payment is different than the date we receive that payment. The payment date is the day we receive your check or money order at Cardmember Service, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your electronic or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Mailed payments that do not include the payment coupon and/or are mailed to a different address will be processed within 5 banking days of receipt and credited to your Account on the day of receipt. In addition, if you mail your payment without a payment coupon or to an incorrect address, it may result in a delayed credit to your Account, additional **INTEREST CHARGES**, fees, and possible suspension of your Account. Internet and telephone payment options are available, and crediting times vary (but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made). If you are making an internet or telephone payment, please contact Cardmember Service for times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. **Credit Reporting:** We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

*Report:*

The Board Chair has agreed to oversee development efforts during the period of transition in school leadership. The Board will work with the incoming principal to define the precise nature of development responsibilities. In the meantime, the school's administration and staff are collaborating with the MST and its development sub-committee to support the current Cavalier and On the Shoulders of Giants campaigns.
